DINING

Savour gourmet meals prepared from local ingredients paired with choice wines, carefully selected by our in-house sommelier, in our fine dining room. Enjoy a pint of your favorite beer from our waterfront patio in the Snug Pub, a legendary Victoria haunt. Or grab a cozy hot beverage and a small bite in Kate's Café. We will also feature a special dinner theatre program in our purpose-built theatre. Enjoy live entertainment and film while feasting on delectable cuisine.

SPA

Indulge in pampering treatments by the sea in your very own oceanfront oasis. The refurbished Boat House will house therapeutic spa treatments such as soothing massages and revitalizing facials. Adjacent to the Boat House will be a private patio for guests to relax in the outdoors, perhaps catching a glimpse of the whales and other wildlife that commonly frolic in the natural beauty of Haro Strait. The signature feature of our wellness spa is a series of seaside hot therapeutic mineral pools. After a busy day, soak away tired muscles overlooking the deep blue

waters of the Pacific Ocean and snow-capped Mount Baker. Afterwards, relax by the outdoor fire pit with a glass of wine and watch the stars twinkle over the water.

LEISURE

The Oak Bay Beach Hotel is home to a number of leisurely pursuits onsite, which include a number of eco-adventure activities like kayak tours, whale watching and fishing charters leaving from our private dock.

The community that surrounds us is also filled with activities for every taste. When planning your stay with us, be sure to take the time to explore our quiet residential neighbourhood, view the yachts at the marina up the street, or take in the Oak Bay Village for shopping, galleries, cafés and more. From whale watching expeditions to spectacular out-island hikes, opportunities for recreation are simply endless.

Comfortable and perfectly elegant, our 100 guest rooms boast ocean, city or residential views. Appointed with English Country Manor House-inspired furnishings, our spacious yet cozy rooms will offer a collection of historic and unique pieces, large spa style tubs and showers, gas fireplaces, oversized windows and contemporary amenities. From flat screen TVs, wireless Internet and luxury bath amenities to in-room butler service and 24-hour room service, the offerings in our accommodations will ensure that every expectation is not just met but exceeded.

The David Foster Foundation Theatre pays homage to the philanthropic work of Victoria-born Grammy award-winner, David Foster. This purpose-built theatre will play host to both film and live dinner theatre productions, as well as serve as a popular community event space. In dedication to the charitable work done by the David Foster Foundation, which helps the families of children awaiting major organ transplants, the Oak Bay Beach Hotel will be donating a portion of every theater ticket sold, and a portion of the proceeds from every event held in the theatre, for the next ten years to the foundation.

Having held its position as one of Victoria's most beloved iconic hotels since 1927, the Oak Bay Beach Hotel is back, and better than ever! Returning Spring 2012 after a complete transformation, the new Oak Bay Beach Hotel is a spectacular five-star oceanfront boutique resort and spa that truly lives up to its legendary past. Honouring its rich history with Manor House inspired architecture and restored vestiges of the past, this renewed hotel is at once comfortable and perfectly elegant. Enjoy our many resort amenities, from fine dining in the Dining Room, casual fare in the legendary Snug Pub, and cozy treats in Kate's Café, to a soak in our seaside hot mineral pools, a relaxing treatment in our oceanfront spa, and outdoor adventure activities such as whale watching and sea kayaking, leaving right from our hotel's own dock. It's all here for you to enjoy!

Arriving at the Oak Bay Beach Hotel is not like entering simply any hotel, it's like returning to your own country Manor House. And the first room beckoning you to relax within its confines is the Grand Lobby. With its warm, rich colours and classic furnishings, this is the perfect place to get cozy with a good book, or contemplate life while gazing out the large windows at the beautiful gardens and ocean beyond. Long known as "the community living room", the Grand Lobby is truly the heart of the hotel, and the large fireplace has been a beloved backdrop to many a wedding photo.

In keeping with the Manor House theme of the Oak Bay Beach Hotel, and in honour of the library that used to be on the third floor of the old hotel, we have named our largest boardroom The Library. The Library will offer a large boardroom table with executive chairs, a projection screen and state of the art audio visual equipment. Featuring Mahogany wood accents and floor to ceiling windows overlooking the beautiful courtyard, The Library can also be used as a venue for small gatherings such as a private dinner party or a small intimate wedding.

Located in a quiet residential location, the Oak Bay Beach Hotel will be a seaside destination resort poised for unforgettable experiences. The location of our luxury boutique hotel in Victoria, British Columbia is uniquely situated amidst the mansions and estates of the Oak Bay waterfront, overlooking the San Juan Islands and Mount Baker, and within walking distance to the Victoria Golf Club and Oak Bay Marina. When visiting our hotel, take the time to explore our quiet residential neighbourhood, view the yachts at the marina up the street, or take in the Oak Bay Village for shopping, galleries, cafés and more. From whale watching expeditions to spectacular out-island hikes, opportunities for recreation are simply endless.
