**Victoria, BC** – The Oak Bay Beach Hotel's culinary team is thrilled to announce their third annual Winemakers Long Table Dinner series, happening this July and August, 2019.

Each evening begins with a reception of passed canapés and refreshments in the Oak Bay Beach Hotel's stunning Seaside Gardens with a backdrop of the Salish Sea. Following the reception, guests are welcomed inside to the hotel's Grand Lobby where they are served a multi-course family-style dinner, created by Executive Chef Kreg Graham with British Columbia wines presented and poured by guest winemakers and/or winery owners.

Dinners are scheduled for July 4 and 25, and August 8 and 29, 2019, beginning at 6:00 with a cocktail reception followed by dinner. Tickets for each dinner are \$159 Cdn per person, plus tax. Guests have the option to save 15% with the hotel's Summer Series Package, which includes attendance to all four Winemakers Long Table Dinners. Seating is limited to 32 guests, and advance reservations are recommended. **Winemaker's Long Table Dinner Series 2019 Schedule:**

July 4

**Hester Creek**, located in Oliver, BC, has its roots deep in the ground with their oldest vines planted in the rich soil of the Golden Mile Bench as far back as 1968. Today, their estate vineyard produces wines that are a lively, intensely flavoured expression of the place they call home.

July 25

In the Okanagan Valley, **Martin's Lane Winery** is situated on ancient volcanic and glacial soil, in an area blessed with warm days, cool nights and the lowest rainfall and humidity of any wine-producing region. Their unique location allows them to yield a dramatic landscape, which produces intense, and balanced fruit.

August 8

Award-winning **Unsworth Vineyards** is where traditional meets artisanal winemaking. Family owned and operated, the winery is committed to handcrafting wines of distinction in Vancouver Island's Cowichan Valley.

August 29

**Black Hills** vineyard sites have been recognized as having some of the best terroir in Canada, with microclimates providing them with one of the hottest, driest and sunniest sites in the nation. The southwest facing aspect and moderate slope combined with their deep desert sand yields intensely flavourful and complex grapes.

While an inclement weather backup is planned, guests are encouraged to dress for the occasion. A light jacket and flat or low-heeled shoes are recommended for the grassy settings of the Seaside Gardens. Event dates may be subject to change at the discretion of the hotel.
