OUR CULINARY PHILOSOPHY

Pacific Roots, Global Perspective.

The banquet experience at the Oak Bay Beach Hotel is a tribute to the rugged beauty and seasonal abundance of British Columbia. Executive Chef Kreg Graham brings a world of technical expertise to our kitchen—honed through years of travel across Asia, the South Pacific and Indian Ocean—yet his focus remains firmly anchored in the local landscape.

Chef Kreg and his culinary team utilize these international perspectives to elevate, rather than overshadow, the best of the Pacific Northwest. The result is a refined banquet offering where the technique is world-class, but the ingredients are unapologetically local. From elegant multi-course galas to curated late-night snacks, our menus evolve with the BC seasons to ensure we are always showcasing the finest produce our province has to offer.

Honoring Our Local Partners

A menu is only as strong as its source. We proudly collaborate with a dedicated network of Vancouver Island and BC-based partners who share our commitment to quality:

- The Salish Sea: We prioritize sustainable, cold-water seafood sourced directly from our coastal neighbors.
- Vancouver Island Farms: Our vegetables and fruits are selected from local growers who prioritize soil health and peak-season flavor.
- BC Artisans: We feature hand-crafted cheeses, boutique honey, and small-batch provisions that define the unique character of our region.

Whether you're planning a relaxing seaside getaway, or a memorable group event, our dedicated team is here to bring your vision to life. At the Oak Bay Beach Hotel, personalized service, stunning oceanfront settings, and exceptional amenities come together to create experiences that are truly unforgettable.

From luxurious accommodations and world-class dining to bespoke spa treatments and tailored group packages, your journey begins with a conversation.

Connect with us today - our team is ready to answer your questions, provide personalized recommendations, and help you start planning your next stay or special event.

Let us show you what West Coast hospitality truly means.

CATERING GUIDELINES

At the Oak Bay Beach Hotel, every event is approached with the same care and attention to detail that defines our hospitality. To ensure a seamless experience, we kindly ask you to review the following guidelines when planning your celebration.

Menu Selections Final menu selections must be submitted to your Conference Services Contact no later than 30 days prior to your event. For menus offering multiple choices per course, guest selections must be collected and provided to your Conference Services Contact at least 14 days prior to the event.

Food & Beverage Policies In accordance with licensing requirements and our commitment to quality, all food and beverage served on property must be supplied and prepared by the Oak Bay Beach Hotel and may not be removed from the premises.

Wedding cakes from a licensed bakery are the sole exception. A cake cutting and service fee of \$5.00 + tax per guest will apply.

Guaranteed Guest Count A guaranteed guest count must be submitted in writing to your Conference Services Contact at least 7 days prior to the event. If this number differs from your contracted Food & Beverage attrition allowance, additional fees may apply. In cases where actual attendance exceeds the guaranteed count, billing will reflect the greater number.

While we make every effort to accommodate additional guests, menu items may be unavailable for changes made within 48 hours of the event, and substitutions or additional charges may apply.
