WELCOME TO THE OAK BAY BEACH HOTEL

Whether you are joining us for the first time or returning to familiar shores, we are delighted you have chosen our seaside home. Perched along the edge of the Salish Sea, Oak Bay Beach Hotel has long been a landmark for those seeking rest and reconnection. Framed by expansive coastal views and a deep sense of calm, we hope you feel inspired from the moment you arrive.

Your guest room is designed as a sanctuary, a home base for effortless restoration. Our in-room dining menu reflects the culinary spirit of the hotel. Each dish adds to the experience of your stay, whether you are enjoying a leisurely breakfast in bed, a quiet dinner in the privacy of your room, or a late-night indulgence.

Wellness is central to the Oak Bay Beach Hotel experience. The Boathouse Spa offers a range of oceanfront treatments alongside the hotel's iconic heated seaside mineral pool. Soak in warm, mineral-rich water while waves break against the rocky shoreline or unwind in the Stargazing Sauna. These facilities invite slow, restorative moments shaped by the natural environment.

At the heart of everything we do is our commitment to service. Our team is here to ensure your stay is seamless and filled with thoughtful moments. If there is anything we can do to enhance your time with us, please do not hesitate to let us know.

Thank you for choosing Oak Bay Beach Hotel. We are honoured to be part of your journey, and hope you leave feeling refreshed and warmly connected to this special place by the sea.

Welcome, and enjoy every moment.

TREVOR LONG,
General Manager

GUEST ROOM TROUBLESHOOTING GUIDE

If you experience a minor issue with your in-room features, the following tips may help resolve it quickly:

ROOM TEMPERATURE CONTROLS

- Please ensure all windows and doors are fully closed – the heating and cooling system will not operate if any are open.
- If the thermostat display reads “Balcony”, a door or window is still ajar.
- If the fan is not running, the room may already be at the set temperature. To restart the fan, simply press the FAN button on the thermostat.

FIREPLACE

- Aim the remote low, toward the base of the fireplace for best response.
- If it doesn't activate, try using the wall switch, located on either side of the TV.
- Some units require the wall switch to be in a certain position before the remote will function – toggle the switch and try again.

IN-FLOOR HEATING

- Your in-floor heating is designed for personalized comfort. To adjust the temperature, press the top or bottom of the round control pad until you reach your desired warmth.

To turn the system off:

1. *Press and hold the center button for 3 seconds.*
2. *When the MODE indicator blinks in the top left of the display, press the center button again to enter the mode menu.*
3. *Use the top or bottom buttons to highlight OFF (it will blink when selected).*
4. *Press the center button once more to confirm.*
5. *Your in-floor heating will now be turned off.*

GUEST ROOM TROUBLESHOOTING GUIDE

If you experience a minor issue with your in-room features, the following tips may help resolve it quickly:

GUEST AMENITIES

- For your comfort, a curated amenity boat is placed beneath the vanity. Inside, you'll find dental kits, a shaving kit, makeup remover, bath salts, and a soap bar.
- If you require additional items, please contact our Front Desk and we will be delighted to assist.
- Would you like to schedule a time for your stayover housekeeping service? Our team will be happy to arrange it at your convenience.

NESPRESSO COFFEE MACHINE

- Wake the machine by pressing any button: Espresso, Lungo, or Hot Water.
- Fill the water reservoir while the machine heats up (approx. 30 seconds).

Indicator Light Guide:

- Blinking – Heating
- Steady – Ready to brew

To prepare your coffee:

- Lift the lever fully and insert a capsule (flat side facing forward).
- Close the lever and place your cup under the outlet.
- Remove the drip tray if using a taller cup.
- Press your desired beverage button – it will stop automatically.
- After brewing, lift and close the lever again to eject the used capsule.
